

ITEMS NEEDED FOR ON-SITE SURVEY

MEDICARE CERTIFICATION AND RECERTIFICATION

Below are items that will need to be reviewed by the Surveyor during your on-site survey. Please have these items available prior to your Surveyor's arrival to expedite the process. If you have any questions, please contact your Account Advisor.

- Number of unduplicated admissions per Medicare provider number during the past 12 months (or since start of operation if less than one year)
- Number of unduplicated admissions per branch location served under the parent Medicare provider number during the past 12 months (or since start of operation if less than one year)
- Current patient census, complete with start-of-care date, admitting diagnosis, and disciplines providing care
- Current schedule of patient visits
- Discharge/transfer patient census for past 12 months (or since start of operation if less than one year)
- Most recent OASIS Reports, such as the Potentially Avoidable Events and Patient Listing, Agency Patient Related Characteristics, and HHA Error Summary by Agency (N/A for initial Medicare Certification surveys)
- Personnel list with title, discipline, and hire date (including direct care and contract staff)
- Any survey results from the past year
- Admission packet and education materials given to patients
- Staff meeting minutes for the past 12 months
- Any internal Plans of Correction based on identified deficiencies along with audit results

Annual requirements are not applicable to agencies in operation for less than one year. Unduplicated admissions refer to all patients admitted one time during the past 12 months regardless of payor.

Conducting interviews to validate findings from observations and record reviews is a standard part of survey procedures. These interviews, involving personnel, patients, and family members or caregivers, must be conducted confidentially.
